Aristide Briand Succeeds in Forming New Cabinet and Takes Post of Premier and Minister of Foreign Affairs

THE COALITION IS REMARKABLE

Modern Element is Represented by Conspicuous Leaders of All Political BETTER
Groups, Bringing Younger Statesmen Together

[ASSOCIATED PRESS DISPATCH] PARIS, Oct. 29 .- A new cabinet, headed by Aristide Briand came into existence tonight with Briand as premier and minister of foreign affairs. For the first time in the history of the reministry of all the opposing parties and factions. This follows the recent British innovation of forming a cabinet of conservatives and liberals. The action is the culmination of a deep popular sentiment that in the supreme crisis of war that party division should give way to united action by all parties in common support of the govern-

As a result the cabinet of Ren-Viviant, being representative of only creamer, assembled at the Empress a few political groups, the ministers theater yesterday afternoon to atpresented their collective resigna- tend the first of a series of lectures are reported to have sent a part of tions.
